

Automation Team

Contact	Title	Products	Phone	Ext.	E-mail
Rob Reilly	Automation Manager - Software Specialist		519-336-8550	235	rreilly@electrozad.com
Rockwell Software, Microsoft Solutions, Data Collection and Reporting					
FactoryTalk Suite, SCADA, Data Collection, Recipe Management, Batch S88, MES Solutions, Track & Traceability, Scheduling, Emulators, Temporary Activation Files for Software Test Drives, Software Installation and Testing,					
Paul Bouteiller	Automation Specialist - PLC, PAC, IA, HMI, Datalogic		519-944-2900	297/271	pbouteil@electrozad.com
Integrated Architecture, PAC, Datalogic Bar Code, HMI, Industrial Network Tools & Solutions					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Hardware and Software Set-up, Staging & Testing, DCS System Migrations, Proof Of Concept Lab, NetWork and Grounding Surveys, Wireless Comms, Datalogic Bar Code					
Dave Dumouchelle	Automation Specialist - Motion Control, IA, PAC		519-944-2900	229	ddumouchelle@electrozad.com
Integrated Architecture, Motion Control, AC Variable Frequency Drives, Condition Monitoring, Mechanical Motion Solutions					
Programmable Automation Controllers (PAC), PLC's, Integrated Architecture Solutions, RSLogix Software, Sercos, Kinetix, Mechanical Actuators & Gearboxes, Dynamix Condition Monitoring (Formerly Entek)					
Dave Blake	Automation Specialist - Safety, Industrial Controls		519-944-2900	215	dblake@electrozad.com
Industrial Control, Essential Components, Safety, Connectivity Systems					
Industrial Control, Safety Relays, Light Curtains, Laser Sensors, Proximity and Non-contact Sensors, I/O Connection Systems, SoftStarts, Vacuum Contactors, Pre-Wired Swing arms, Terminal Blocks, On-Machine, Fail Safe Systems					
Andy Amaral	Automation Specialist - Drives, Services, MCC's		519-944-2900	260	aamaral@electrozad.com
AC Variable Frequency Drives, Rockwell Automation Support & Services, Motor Control Centers (MCC)					
Low Voltage & Medium Voltage Variable Frequency Drives & MCC's, Spare Parts Agreements, TechConnect Support Contracts, NetWork Health Check, Service Personnel Block-Of-Time, Installed Base Evaluations, Remanufactured Parts, Extended Warranties					
Dan Curtis	Inside Sales, Hi-Tech Specialist - Windsor		519-944-2900	257	dcurtis@electrozad.com
Integrated Architecture, Software, TechConnect					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Pre-Wired Swing arms, TechConnect, Step Forward Upgrades/Migrations, Rockwell Encompass Partner, PEPPERL+FUCHS Process Automation, Rockwell Software Toolkits					
Ian Heater	Inside Sales, Sarnia		519-336-8550	242	iheater@electrozad.com
Integrated Architecture, Software, TechConnect					
PLC, PAC, HMI, PanelView, Industrial Computers, Safety PLC, Process Control, SIL2, SIL3, Pre-Wired Swing arms, SW Toolkits					
Keith Taylor	Inside Sales, Sarnia		519-336-8550	234	kitaylor@electrozad.com
Motor Control Centres (MCC's)					
Low Voltage and Medium Voltage MCC's, IntelliCentres, PEPPERL+FUCHS Process Automation
